Dear VeronaWalk Community,

On Tuesday, June 26 a lightning storm passed our area igniting a fire in the preserve area behind VeronaWalk. By Wednesday, June 27 the fire had worked its way up to the border of our community on VeronaWalk Circle. With quick response by our Property Manager, Melissa Wood along with Napier Irrigation, the Sheriffs Department, East Naples Fire Dept and surrounding Fire Departments the fire was in a control burn status. However, as the winds picked up and the fire raged reaching the area between Valentina and Umberto a strong gust of wind blew and the fire started forming an inferno. A situation that could've become a disaster was controlled by the quick response of those previously mentioned. I would like to thank my neighbors on Umberto Court for their combined efforts, as hot embers blew across VeronaWalk Circle to the dry grassy areas around our homes. Due to the combined efforts of our neighbors the fires were extinguished quickly using garden hoses. Truly we have formed a neighbor help neighbor Community here at VeronaWalk. I would urge everyone to thank our local Sheriffs Department, Fire Departments, as well as our management staff here at VeronaWalk. Please join us on Saturday, August 11 at the Resort Pool for the East Naples Fire Department car seat drive Celebration, details on page 4.

Again a huge thanks to all involved,

Woody Voelker

NEIGHBORHOOD WATCH REPORT A CRIME. YOU CAN MAKE A DIFFERENCE

Nationwide, it was determined that the number of arrests for criminal activity would double...if only crime were reported immediately. Locally, three out of every four arrests can be related to a call from a citizen.

You, as citizens of our County, have a tremendous effect on the ability of law enforcement to successfully bring a case to conclusion. Here are some things to remember about reporting crimes.

- Report suspected criminal activity immediately...do not wait. The sooner law enforcement can respond, the more likely they are to apprehend someone.
- Be as accurate in the description of people and vehicles as you can. If they have left the area before we arrive, your observations will be the only information with which we have to work.
- If you are not sure something is wrong, report it to law enforcement anyway. It is better we check it and find nothing wrong, than allow someone to be needlessly victimized.
- Do not get involved or investigate yourself. Report it...and let law enforcement deal with it. Remember, the situation may be dangerous.

Law Enforcement is only as good as the information...and cooperation...it receives from the public. You are our most important link to your community. Help us help you. To register for upcoming training sessions call Barry at 417-9052, or send an email to: veronawalksafety@yahoo.com

RULE ENFORCEMENT

The Town Center staff cannot be in all places at one time therefore, we look to all Owners that have an investment in VeronaWalk to assist in making sure the Rules are enforced.
