## Community Emergency Response Team

### C.E.R.T.

Our first team has started their training. We will be administering a daytime session in the future for those volunteers that were unable to attend the evening sessions. If you'd like to join us, and be part of VeronaWalk's C.E.R.T. team fill out a "Contact the Safety Committee" form located in the carousel in front of the Town Manager's office or you may email: [veronawalksafety@yahoo.com](mailto:veronawalksafety@yahoo.com). Don't forget to include your name, address and phone number!

## Veronawalk Safety Committee

### Tip Of The Month

The committee suggests any time you plan on being away from your home for more than a day or two you enable the "LOCK" button on your garage door opener mounted on the garage wall. It's very simple to do. (Please see your owners manual for the garage door provided to you at closing.) The lock feature does not allow the door to be opened by the remotes, it can however still be operated by the garage wall button.

Whoever looks after your home in your absence should have a key to the front door, that's the door we suggest they enter and leave from.

Lock it, keep it, and participate in the Neighborhood Watch program.

## Crime Prevention Seminar

Presented by Collier County Sheriff's Office Call the HOA Office to Register 774-0026

## NEIGHBORHOOD WATCH

### REPORT A CRIME. YOU CAN MAKE A DIFFERENCE

Nationwide, it was determined that the number of arrests for criminal activity would double...if only crime were reported immediately. Locally, three out of every four arrests can be related to a call from a citizen.

You, as citizens of our County, have a tremendous effect on the ability of law enforcement to successfully bring a case to conclusion. Here are some things to remember about reporting crimes.

- Report suspected criminal activity immediately...do not wait. The sooner law enforcement can respond, the more likely they are to apprehend someone.
- Be as accurate in the description of people and vehicles as you can. If they have left the area before we arrive, your observations will be the only information with which we have to work.
- If you are not sure something is wrong, report it to law enforcement anyway. It is better we check it and find nothing wrong, than allow someone to be needlessly victimized.
- Do not get involved or investigate yourself. Report it... and let law enforcement deal with it. Remember, the situation may be dangerous.

Law Enforcement is only as good as the information...and cooperation...it receives from the public. You are our most important link to your community. Help us help you.

To register for upcoming training sessions complete a Neighborhood Watch registration form located in the carousel in front of the Town Managers office, or send an email to: [veronawalksafety@yahoo.com](mailto:veronawalksafety@yahoo.com)

## Fitness Center Information

Lately there have been a few inquiries regarding policies in place for the Fitness Center. Listed below is information regarding a few of these topics:

**TV Channels** – The televisions in the Fitness Center are set to the following stations...ABC, ESPN & CNN. After several meetings this decision was made by the fitness committee last spring.

**Music Channel** – the music channel is set to 80's music, this too was decided after several fitness committee meetings and many attempts to try alternate channels.

**Attire** – Proper exercise clothing and shoes must be worn in the Fitness Center. Wet bathing suits or flip flops are not permitted at any time.

Above all, please use common courtesy while working out. Please disinfect any equipment you use with the sanitary wipes provided. Please turn off cell phones and when working sets, please keep conversations to a minimum when others are waiting to use the equipment or allow someone to rotate in should you require a longer time to rest between sets.

A complete listing of rules and regulations is posted on the Fitness Center Bulletin Board or on the website ([www.veronawalknaples.com](http://www.veronawalknaples.com)). Please make an effort to review and respect these guidelines. If you wish to participate in the Fitness Committee Meetings please join us the third Wednesday of each month from 6 PM to 7 PM in the Town Center.

## Wrong Turns and Near Misses

This is just a friendly reminder to all residents of VeronaWalk: please pay attention to all one-way signs, speed limit, and stop signs. There has been an increase in number of avoidable near-miss close calls.

The semi-circle where the gas pumps are located is a one-way loop. Please do not enter the semi-circle from the south side. When picking up your mail, please only use one parking space and do not park in front of the gas pumps.

## Residents living in the Caymans

Cayman residents' driveways are adjacent to one another. Please do not use your neighbor's driveway to place your trash container on trash pick up days.

Violation letters have been sent to residents due to trash containers or due to vehicles parked in the driveway, only to learn that the actual owner is out of town and the neighbor is committing the violation. This practice needs to stop. Our goal is to have a harmonious community. Please do your part to contribute to this harmony and be a good neighbor.

## Hurricane Shutters

We are having a very active hurricane season this year and as a result, VeronaWalk residents are being very prudent by keeping their hurricane shutters up. Management's first concern is residents' safety and that is why there has been some leniency toward owners allowing unpainted shutters to remain in place during this season.

Letters are going out to the residents with unpainted shutters reminding them of the Rules & Regulations regarding hurricane shutters here at VeronaWalk. The hurricane shutters must be painted white or the color of the home and can only be installed from June 1 to November 30 in any given year.
